

**GANDER PROGRAM ENROLLMENT OVERVIEW**

Thank you for your interest in the Gander Program. As a member of the Gander Program your facility would receive a monthly subscription to up-to-date surgical reviews and educational articles, some of which are sponsored in order to keep the price of the organizers low.

A sample of what your facility would receive if part of the Gander Program can be found on our website: [www.ganderorganizers.com](http://www.ganderorganizers.com) under "facilities info". Gander would only send material to be posted in 25% of the organizers display windows. The remaining 75% of the organizer display windows would be for your facilities use i.e. newsletters, bulletins, announcements, etc.

Participation in posting the articles is minimal. Each month, a designated staff member of your facility would receive, in the mail, the articles, along with a one-page fax-back form to confirm the **sponsored** materials were received and posted in the Gander organizers. As an added incentive, each month the designated staff member confirms the sponsored materials are posted by faxing in a verification form (provided by Gander along with the articles) or emailing Gander that the articles were posted, a gift certificate for a local business in the amount of \$5 per confirmation/verification received, will be sent to your facility (sent quarterly). Gander Reviews will also be sent as a source of additional education in the OR. Posting the Reviews are optional. If only Reviews were received in your monthly packet, confirmation is not necessary. Please select gift certificate choice:  Starbucks  Subway  Pizza Hut

To join the program please fill out the Gander Enrollment Form below and fax to: 619.295.6172 along with your order.

**Gander® Agreement**

As part of the Gander Educational Program 25% of the organizer display windows will remain reserved for educational material sent to your facility by Gander. Gander® will exercise reasonable efforts to place materials compatible with the facility and its users. Facility reserves the right to refuse placement of materials on a case-by-case basis. Gander reserves right to survey organizers condition and article placement on an annual basis.

The Gander Educational Program allows us to keep our organizer prices down for our program members. In the event that participation in the Program is terminated by your facility, or if confirmation forms are not received via fax or email for three consecutive months, Gander reserves the right to bill your facility \$20.00 for each organizer purchased (price difference of organizers purchased w/o program).
